SUMMARY

B.Tech Computer Science student focused on Full-Stack Development and Software Engineering. Hands-on with React.js, Node.js, Express, MongoDB, Python, and REST APIs. I build responsive UIs, connect them to reliable back ends, write clean, testable code, and ship features in Agile team settings.

EXPERIENCE

Web Development Intern

Cognifyz Technologies

07/2025 - 08/2025 Remote

Web Development Intern

- Developed and integrated React UI with Node.js backend, reducing task completion time by 30%
- Delivered 5+ fully functional features in Agile sprint cycles, closing backlog items with 95% code quality score

UI/UX Design Intern

CodeSoft

07/2025 - 08/2025 Remote

UI/UX Design Intern

- Designed responsive Figma-based layouts and converted to live React/Tailwind pages, improving usability rating by 40%
- Sharpened creative and user-centered design skills in a hands-on learning environment

EDUCATION

B.Tech in Computer Science and Engineering

SRM Institute of Science and Technology

08/2023 - 05/2027 Chennai, Tamil Nadu

GPA: 8.89 (Till 4th sem)

Relevant Coursework:

- Data Structures & Algorithms
- Web Development
- DBMS
- Operating Systems

SKILLS

Languages: JavaScript, Python, HTML, CSS

Front End: React.js, Tailwind CSS, Responsive Design, UI/UX

Back End: Node.js, Express.js, REST APIs

Databases: MongoDB, MySQL

Tools & Platforms: Git, GitHub, Netlify, AWS, Jupyter

Practices: Agile/Scrum, Debugging, Unit Testing, CI/CD (basic)

PROJECTS

Stare ware

01/2025

Front-end Developer for a quiz application

- Engineered a quiz app using React that tracks eye/face movements via webcam to improve user focus by ~35%; designed UI solo with responsive layout and smooth transitions
- Designed the entire front-end solo, ensuring a clean, responsive, and user-friendly experience

Personal Portfolio Website

01/2023

Front-end Developer for personal portfolio website

- Designed and developed a responsive portfolio using React, showcasing projects, skills, and achievements
- Implemented smooth navigation and interactive elements to create an engaging user experience

INTERESTS

Digitization Awareness Session

Led a digitization awareness session for rural women, introducing basic tech and AI tools to empower through education

Workshop Participation

Participated in workshops to gain exposure to real-world data workflows and AI applications
